

City of Fincastle AdHoc Ordinance Committee Minutes

12-10-2020

Present: Commissioners Harris, Jr, Calvert, Mayor Bell and treasurer/clerk Reid.
Guests were a resident of the city, her brother and David Ricci, landscape contractor.

With ice and snow events possible in the future months, it was emphasized that in the event of a snow emergency, cars WILL BE CITED if parked on the street. This situation presents a safety hazard to snow removal operator, his equipment and to cars on the street. This ordinance will be enforced.

Property at 11405 Halifax was discussed at 9-10-2020 meeting, and a update indicates the situation is worse with unattached privacy fence has fallen. Chairman Harris should ask the code enforcement officer to cite.

The code enforcement officer is citing properties on Kendalton for parking in the grass.

Asphalt or concrete driveways construction are listed in the city deed restrictions.
